COEBURN HIGH SCHOOL

COEBURN, VIRGINIA

Long Hard Road

From the very beginning of the year until the end, Mr. Myers and Mr. Lewis have been here at CHS to give their time and advice to the students. Day after day they travel that long hard road that will eventually end another year. With the help of Mrs. Jordon and Miss Rhonda Greear, the journey of the administration is made much easier.

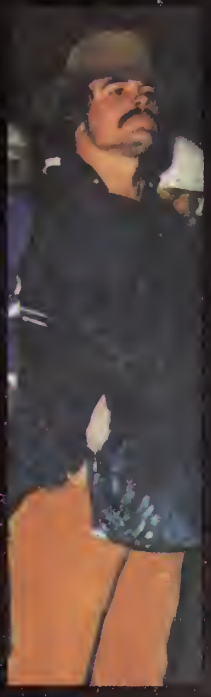
Hold Your Head Up

Meaningful expressions can be seen on the faces of the many individuals, who give a portion of their time for the improvement of CHS. As we move through life we should always work for the betterment of our world as well as ourself. On the road of life always remember to hold your head up.

WE
Y

Cherish

We will always remember those special happenings that occur as we travel through high school. Cherishing each moment of high school life will continue to be a part of us as we travel that long road through life.



Time In A Bottle

Concentrate for a time on the moments that we would like to hold in our mind forever. Remember those simple things, whether it be an empty hall or an over filled locker. Not only remember these, but also remember those moments that are dear to each individual. Wouldn't it be great if we could suspend time in a bottle?

INFORMAL SECTION

We've Looked At Life From Both Sides Now

Most of the time life is seen from only one point of view. Many people tend to forget that there is more to life than they realize. During this year we hope that everyone has taken the time to look at life from both sides.

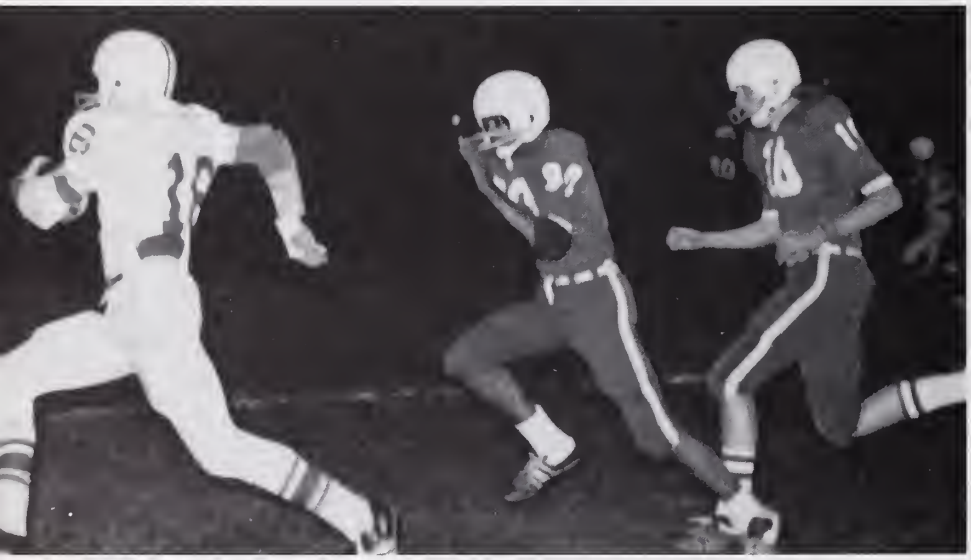
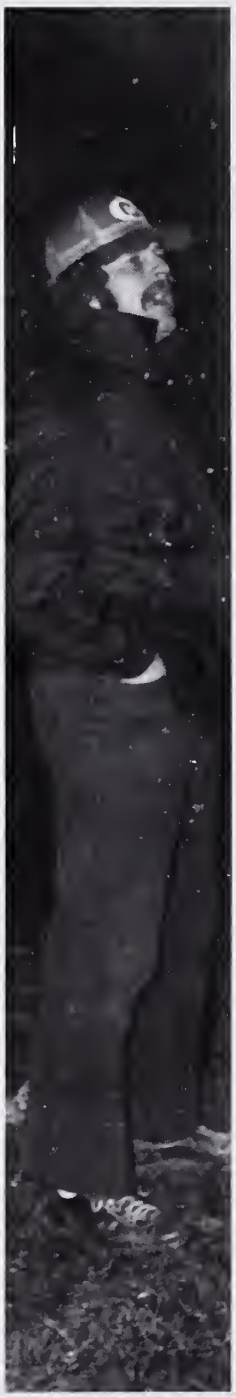
Sometimes Ya Win
Sometimes Ya Lose

The Blue Knights with the coaching of Mike Roberts and Bill Casey went into the 73-74 season with a physically fit team. The men that played did their best and gave it their all, but the Knights had a very disheartening season. The school is very proud and grateful for their efforts.



Listen To The Music

On November 9, 1973 at 7:30 the Homecoming game got underway. The Blue Knights battled the Ervinton Rebels. Although the Knights were defeated, their loss did not defeat the spirit of the Homecoming Dance which was held afterward. The spirit of the occasion filled the cafeteria as the students and faculty settled down to dance and for some to just listen to the music.



We've Only Just Begun . . .

This year's junior varsity football team, composed of approximately 30 Eighth and Ninth grade boys, was a team that started out slow due to a lack of fundamentals. As the season progressed, so did each member of the team. Even though their record was only 2-4, their season was a success in that the boys had learned most of the basic fundamentals of organized football and will hopefully become the future STARS of C.H.S.

I Am Woman

Girls Basketball is a relatively new sport at C.H.S. For the past two years the weaker sex (as some people infer) have had their chance to show that their ability is equal to that of the boys. When you think about it, are girls really the weaker sex?

The first glistening snow flakes of the season fell upon the couples as they entered the cafeteria, setting the CHRISTMAS spirit for the Junior-Senior Christmas party and the . . .

Mistletoe Magic

With the help of Mrs. Carico, the theme of the party, Mistletoe Magic, was displayed beautifully. The highlight of the evening came with the announcement of Maiden Tammy Gray and Knight Mike Jones.

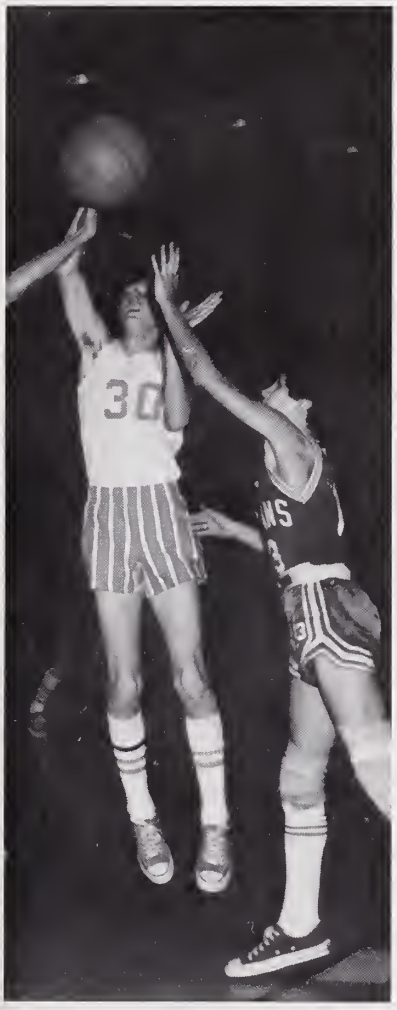
Hot Ashh helped set the mood for the party as they played music while the couples danced.

Don't Step On My Blue Suede Shoes . . .

Under the capable leadership of their coaches, Ira Joe Lewis and Larry Harris, the Blue Knights came out with an impressive third place in the Lonesome Pine District. The highlight of the season came on January 4 at Ervington High School when Hurley Mitchell broke 1000 points.

Playground In My Mind

In a few years to come, we will look back and remember the Junior Varsity team for what they contributed to our school. We will also remember coach Doug Kern for his guidance. The 1974 team finished with a record of four wins and twelve losses. The Five starting players were Johnny Carnette, Tony Harriston, Denny Harton, Bill Pate, and Brad Stallard.



Comment by player, Denny Harton: "This year there was only one tenth grader on our team. The lack of experience kept us from winning, but we are building for the future."

"He Ain't Heavy He's My Brother"

During the '74 season the wrestling team really put forth much effort and determination to reach a successful triumph. Thanks to the Coaching of Mr. Hubbard, the team had a very successful year.

MEMBERS: Paris Fisher, Randy Coomer, Greg Kiser, Andre Harriston, Wiley Powers, Bobby Salyer, Randy Rhodes, Mark Odle, Eddie Johnson, Barry Bailey, James Helbert, Danny Farmer, Harve Mooney, David May.

"Bitter Blues"

The crack of the bat, a long fly ball deep into the bleachers, and it's gone for a home run! Long, hard hours of practice combined with the stern supervision of Coach Steve Hubbard produced an excellent season for Coeburn's baseball team. With no losses, the Blue Knights were the Lonesome Pine Champions. Even though they did not win the State Championship, they are still the State Champs to the students of CHS.

"When You're Hot, You're Hot"

The main object of this game is to give all you can and hope for the best, and that is exactly what the members of the CHS track team did. With the help of their coach Bill Casey, the track team put forth much effort in hopes of doing their best . . . and they did.

"Pieces Of April"

On the evening of April 27, the scene was set in a romantic spring mood which was inviting to all who attended the 1974 Junior-Senior Prom. The spirit of the occasion was brought out by the beautiful flowers and butterflies that stood out as part of the decoration.

As the evening progressed, Chyrl Gordan and Johnny Adkins were crowned Mr. and Miss Coeburn High.

The music for the evening was supplied by Shadrack. With the many gorgeous gowns and beautiful corsages that adorned them, the theme was fitting to the occasion . . . Pieces of April.

Anticipation

On May 17, 1974 the students and teachers, as well as many parents filled the gymnasium and anxiously awaited the presentation of awards to the students. Special awards were presented to Mrs. Billie Jordan, Mrs. Shirley Robbins, and Mr. Harold Dotson.

Many deserving students received awards, but there were many others who deserved awards that did not receive them.

The Keyette Club along with several adopted members sang "The Morning After."

UNDERCLASS AWARDS: 1st ROW: K. Ellis, D. Adkins, G. Laney, J. Culberson, G. Long, T. Elkins, S. Bond, D. Stidham, D. Stallard, T. Donelson, S. Nixon. 2nd ROW: T. Johnson, L. Thompson, V. Robinson, R. Each individual's high school years are filled with moments and experiences that are meaningful to him, his to always keep . . . that first day at CHS . . . realizing you are only an eighth grader . . . never knowing your locker combination . . . getting your first admission slip . . . the first time you are called to the office . . . racing to class after the tardy bell rings . . . getting your class ring . . .

I'm Free

But when you are a senior, you find that there are more important things to worry about . . . ordering announcements . . . measuring for caps and gowns . . . practicing for the senior choir . . . having to contend with Mr. Sturgill's constant antics . . . when marching in, trying to count four steps when your heart is beating like crazy . . . and finally when Mr. Myers shakes your hand for the last time.

FORMAL SECTION

"Ain't No Sunshine"

It is certainly true that the students at C.H.S. make up the majority, but without teachers, would there be any students? The teachers are the backbone of our school; they help to see that the guidelines of our school are kept. The job of the teacher is not a simple one; their hours are long, their pay is little . . .

The Morning After

The fall found the seniors adapting to their last year at C.H.S. They began by selecting Purple, Lilac, and White as their class colors, "The Morning After" as their class song, and as their motto, "It's nice to be important, but it's more important to be very nice."

Along with the usual flow of activity, there came some unexpected changes at C.H.S. The year 1974 will be well remembered as the first time that all dances, except the Prom, were postponed because of the nationwide energy crisis.

Despite their disappointment, the seniors kept up their spirits. The remainder of the senior activities, such as ordering announcements and measuring for caps and gowns, was carried out as usual.

Even though there were many changes for the Class of 1974, the Seniors will look back on their Senior Days, remembering the good times as well as the bad.

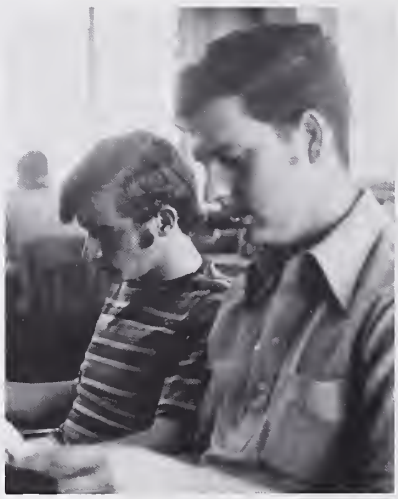
Starting All Over Again . . .



. . . It's Gonna Be Rough

As each day slowly passes, our last year of High School Life draws to an end. All of us have memories, some good and some bad, but we do not ever want to forget the many joyful moments that we have had. Graduation will soon be here. It's funny . . . it does not matter how old we get we seem to be always starting all over again . . . It's going to be rough.

With hard work and determination the '74 Annual Staff put forth much time and effort to make this annual the best ever. Thanks to the faithful supervision of Mrs. Robbins, the Reflector for '74 is in our estimation one of the best Coeburn has ever had.

"It's Going To Take Some Time"

The End Is In Truth . . .

Once upon a time we lived with hearts that raced and minds that dreamed and clocks that had no hour hands. With common goals and common longings, we laughed, we loved, we played, we won. Those were our school days, our happy days. They were real because we made them real. They were alive because we existed.

The Beginning

And then, as suddenly as they had dawned, they faded into the less carefree days of adulthood. And finally they are now gone . . . those happy days in school.
